

CHICHEN ITZA EXPRESS

Chichen Itza was named one of the 7 Wonders of the World in 2007, but long before that it was pretty well known for travelers visiting Cancun, Riviera Maya and the Yucatan Peninsula.

Travel back in time and re-energize with the mysticism that emanates from its main buildings, such as the Ball Court, the Plaza of the Thousand Columns, the Observatory and the main temple: the Pyramid of Kukulcan. In the express modality, you will have the opportunity to get to know the archeological site, learn about the most important vestiges and return to your hotel in time for other activities.
