

PTI Organizational Membership Application

Established in 1976, the Post-Tensioning Institute is recognized as the worldwide authority on post-tensioning. PTI is dedicated to expanding post-tensioning applications through marketing, education, research, teamwork, and code development while advancing the quality, efficiency, profitability, and use of post-tensioning systems.

Members of the Institute include major post-tensioning material fabricators in the U.S., Canada, and Mexico; manufacturers of prestressing materials in the U.S., Canada, Mexico, Asia, and Europe; and companies supplying materials, services, and equipment used in post-tensioned construction. In addition, PTI has more than 500 professional engineers, architects, and contractors.

Persons, firms, or corporations qualifying for membership, in accordance with the definitions described below, that accept and agree to be governed by the by-laws of the Post-Tensioning Institute, may apply for membership by completing both pages of this form and returning it to the Post-Tensioning Institute by mail or fax with your payment of the annual dues.
